PRODUCT DESCRIPTION

- Need a strong phone stand for video calls, watching videos, online classes, live selling, reading, or desk work? The WiWU ZM-014 360° Foldable Desktop Rotation Phone Stand gives you stable hands-free phone support with flexible viewing angles.
- Supports 360° free rotation, allowing you to adjust your phone position easily for portrait view, landscape view, video calls, content viewing, and multitasking.
- Built with a high-precision mechanical axis that helps the stand stop firmly at your preferred angle.
- The stable round metal base gives better support on desks, counters, reception tables, study tables, and office workspaces.
- Foldable and portable design makes it easy to carry in a bag, use at work, home, school, travel, or business setup.
- Made with iron and TPU material for a stronger, more stable, and device-friendly design.
- Grey color gives it a clean modern look that fits office desks, home setups, shops, and content creation stations.
- Advantage: 360° rotation + foldable body + stable metal base = comfortable hands-free phone use anywhere.
